This week's prayer

Creation has been our theme for prayer in this first week of Lent:

God our maker, Thank you for your many gifts to us in creation Help us to notice and honour all that you have made good. In this season of Lent help us to focus upon all that is growing in our lives and friendships. Enable us in these weeks of prayer, fasting, reflection to make space to recognise any changes of direction we need to take; so that we may be refreshed and strengthened to praise you and to serve your world with courage and with hope. **Amen**

Thank you!

Thank you to everyone who supported the PTA Thai Night last Friday which was a huge success, raising funds in excess of £700 for the benefit of our school.

Get a good night's sleep!

BBC's Panorama programme recently highlighted that many children are exhausted. Investigations showed how poor sleep is affecting pupils' concentration and behaviour in class and found that sleep deprivation can reduce academic performance by up to two school years. If you missed the episode, catch up on BBC iPlayer as it is well worth a look.

Attendance Matters

This week's whole school attendance is **96.2%**. Very disappointing figures this week with Cassidy, King and Kolbe family groups falling short of our 96.5% stretch target with Devereux and Romero just above. Well done to Years 8 and 9 but I am very concerned about Years 7 and 10 ~ very low attendance figures indeed! Year 10 need to improve in this very important GCSE year, **you must do better.**
