Summer Term ~ 30<sup>th</sup> June 2017

God of each and every generation, we thank you for the many gifts you give to our school community. We pray for the new pupils preparing to join us in September. We pray for the pupils who are preparing to move from our school to new places of learning and adventure. We pray for all our staff, especially those whose lives are full of change. Help us all to remain faithful to your call, to proclaim your love, forgiveness and joy in all that we do. Bless us with grateful hearts and fill our lives with hope.

In our listening, learning, helping and praying help us to give the very best that we can offer, to others and to you.

**Amen.**

### Telephone Messages and Appointments

Could we kindly stress to Parents/Carers and pupils that any arrangements for their journey home after school should be discussed the evening before, or before school. We are having an unacceptably high number of calls to 'remind' pupils of the most basic arrangements (to walk, get the bus, go to grandparents, etc.) and this can mean that lessons have to be interrupted for the message to be passed on. We appreciate that there can sometimes be an emergency when a message does need to be passed on, and you know we are always here for you if this happens. However, **routine arrangements should already be known**. We also would wish our dedicated Reception and Administration Team to be able to focus on their work without the unnecessary and completely preventable interruptions, and for our pupils to become self-reliant. Thank you for your understanding and consideration. *Mr Wilkinson*

### Attendance Matters

This week's whole school attendance is **96.3%**. Disappointing to see that we are just under our stretch target this week! With the end of term looming, I'd like to see us smash target for the next three weeks please. Congratulations go to the Kolbe family for all Form Groups getting over 96.5% - well done! Years 8 and 10 really do need to make an improvement, let's do better next week! It is imperative that Year 10 attend every day for the rest of term as important WBQ work needs to be completed. This is important as it forms part of their vital GCSE work.
