Autumn Term ~ 15th September 2017

This Week's Prayer

Loving creator God, thank you for your presence with us as we have begun our new school year.

We ask for the comfort of your closeness to are those who are in need.

You alone are the source of peace and you give hope to us in times of struggle.

Show each us how great is the call to serve others, that we may share in the work of Christ, who offered his life in the service of all.

Amen.

Year 7 Trip to Pantasaph

Year 7 Data Checking

During Rocket Week, Year 7 Parents and Carers were given a Data Checking Pack (purple cover). These should have been handed in during Rocket Week, however there are still a number that we have not received. The forms included in the pack are very important to the school, as they contain vital information such as emergency contact details, medical/dietary needs and consent forms.

In preparation for the Year 7 Trip to Pantasaph, we require these forms to be returned **before Wednesday, 20th September**. I would draw your attention to the fact that if these forms are **not** received, your son/daughter will be unable to participate in this and all future trips until the information is received.

Attendance Matters

This week's whole school attendance is **97.6%**. Well done - another week above stretch target, keep it up everyone! It's great to see three Form Groups reaching 100% this week in Years 7 to 9. With each Form Family and Year Group achieving stretch target, let's see if we can improve on these figures yet again next week please. Although the majority of Form Groups are on target, a few still need to 'up their game'.
