Autumn Term ~ 15th December 2017

This Week's Prayer ~ Gweddi yr Wythnos

During the past week the whole school has taken part in reconciliation services to prepare ourselves to notice and welcome Christ's coming at Christmas. We have been thinking about anything that is broken and hurting in our lives and praying for the light of God's healing and help.

God our friend and guide, we praise and adore your faithfulness.

Despite our half-heartedness, you give your whole self to us.

To challenge our complacency, you give us the urgent message of John the Baptist and call us to repent.

To prepare us for Christmas, you bless us with the season of Advent.

To show your love for us, you call us home.

We praise and adore you. In Jesus' name.

Attendance Matters ~ Materion Presenoldeb

This week's whole school attendance is 93.1%. After a very disruptive week it is not surprising to see such low attendance figures. Better weather is on the way so we need a massive effort to ensure great attendance next week. There are lots of very important events taking place including a charity fundraising and our Christmas Liturgy. There will also be important information given out to pupils about Year 9 & 11 exams and GCSE Science Practicals which take place next term. It is vital that attendance is as close to 100% as possible.
