This Week's Prayer

Creator God you made each one of us unique.

We thank you for our inner depth and beauty. Through your tender mercy, forgive us our past failures. Guide us into our future and enable us to make wise choices.

Help us know that it is often in the midst of problems that we can, with your help, grow into greater love. Help us today to be aware of your presence nudging us to do what is life giving.

Amen

Welcome!

We have had a great start to the new academic year - thank you for all the support you have given this week, and for all that you will do over the next 11 months to ensure that your child reaches their full potential! The recipe for success involves us all working together to make sure that children: arrive on time, work hard, complete homework and enjoy a stress-free time both in and out of school.

Study Plus

Study Plus is available in Technology Room 4 for pupils in Year 7, 8 and 9; and MA4 for pupils in Years 10 and 11. The sessions run each lunch time from 12.30–1.00pm and also **after school from 3.30-4.30pm Monday to Thursday** (there is **no** Study Plus+ after school on a Friday). **Please note there is no charge.** In Study+, pupils have the opportunity to make the most of the facilities the classroom has to offer, such as computers and printers to help with homework, and are supervised at all times. *Pupils are encouraged to use the pre-ordering system for their lunch-time meal, to be taken after the lunch-time session of Study Plus+.*

Attendance Matters

This week's whole school attendance is **96.3%**, narrowly missing our stretch target of 96.5%, which is not the start to the new academic year that I had hoped! Congratulations to Year 7 who have had a great start to the year together with Year 8, although the King Family need to improve drastically. It is disappointing to see the attendance figures for Years 9, 10 and 11 during these all important school years – improvements need to be made immediately – especially Year 10 at the start of their GCSEs.
