Autumn Term ~ 14th September 2018

This Week's Prayer

Lord, guide me in the things I will say and do today. Help me in the decisions I must make. Reassure me that your support is always available to me, and that I have but to ask, and you will provide the strength that will carry me through whatever this day might bring. I am asking for your help, now.

Lord of the morning, help.

Amen.

Year 7 Data Checking

During Rocket Week, Year 7 Parents and Carers were given a Data Checking Pack (purple cover). These should have been handed in during Rocket Week, however there are still a number that we have not received. The forms included in the pack are very important to the school, as they contain vital information such as emergency contact details, medical/dietary needs and consent forms.

In preparation for the Year 7 Trip to Pantasaph, we require these forms to be returned **before Wednesday, 19th September**. I would draw your attention to the fact that if these forms are **not** received, your son/daughter will be unable to participate in this and all future trips until the information is received.

Attendance Matters

This week's whole school attendance is **97.8%**. Well done – this week we are above stretch target, keep it up everyone! It's great to see five Form Groups reaching 100% this week in Years 7, 8, 9 and 11. With each Form Family and Year Group achieving stretch target, let's see if we can improve on these figures yet again next week please. Although the majority of Form Groups are on target, a few still need to 'up their game'.
