

Weekly Bulletin ~ Bwletin Wythnosol

Autumn Term ~ 21st September 2018

This Week's Prayer

Loving Father, we ask you to guard and protect our whole school community,
most especially our young people.

May we be aware of your presence working with us,
inspiring us to bring joy and peace to all whom we meet each day.

Guide us as we work together with you to build a more just, loving society.

Amen

Attendance Matters

This week's whole school attendance is **96.5%** which is our stretch target. Well done to Year 7 for another great week especially 7 Cassidy – your Headteacher's reward is on its way to you – enjoy! The best Form Family is Romero with 97.5% closely followed by King. There is still a lot of work to be done with only two Year Groups and three Form Families above stretch target so I look forward to better results next week when the 'crop' of sickness bugs start to wane. As can be seen from the diary of events every Year Group has important activities ahead. May I please draw your attention to the attendance information on page 19 of the planner – vital statistics for parents and carers.
