

Weekly Bulletin ~ Bwletin Wythnosol

Autumn Term ~ 5th October 2018

This Week's Prayer

Lord God, you gave us the gift of Jesus so that we might inherit the fullness of life in him. Grant that with the help of your Holy Spirit, we may take hold of the life that is truly life in the richness of your blessing, the joy that comes from worship and the service that comes from worship and the service that comes from love. Guide the life of our school into the ways of peace and of holiness that each may strengthen the other, and all things glorify your name.

Amen

Attendance Matters

This week's whole school attendance is **97.1%**. Congratulations once again to the whole school for a fabulous weekly attendance figure with three year groups and families over stretch target. A special mention for 11 Romero who will receive their Headteacher's award for 100% attendance; and Year 7 – who have been magnificent with every form over 96.5%. I am concerned for the Kolbe and Devereux families and I would ask that parents and carers return their children to school as early as possible after an illness.
