Attendance Matters

This week's whole school attendance is **96.3%**. This is a very disappointing start to the new summer term with only one year group, Year 8, and one form group, Romero, just a smidgeon above stretch target of 96.5% - well done. Year 11 need to show a vast improvement as all form groups fall well below par especially 11 Kolbe. Good attendance is a pre-requisite of completing 'passport to prom'. Please be better next week.
