Summer Term ~ 14th June 2019

This week's Prayer

The theme for the week in school is "Helping Others". This links in with World Communication Day celebrated on 2nd June. This was inaugurated by Pope Francis: "God is not solitude, but communion, He is love and therefore communication".

Lord as we begin this new day, give us an awareness of your presence in each one of us. Help us to care for each other rather than being fixated on our own work, cares, and concerns. With your guidance help us to work together to bring peace and harmony to all.

Amen.

Attendance Matters

This week's whole school attendance is **96.1%**.

So near but yet so far from exceeding our stretch target of 96.5%! With only five weeks left of the Academic Year, every day counts! Years 7 and 10 really need to try harder next week together with Cassidy, Devereux and Kolbe form families. It is vitally important that all pupils are in school, looking forward to important curricular activities such as WBQ; GCSE study for Years 9 and 10 and continued study for Years 7 and 8. Well done Year 8, nearly all forms above stretch target with 8 King being the best form group this week.
