Rocket Week for Year 6s

As part of our Transition Programme Year 6 pupils have been invited to visit St Joseph's to take part in our famous Rocket Week which takes place next week. This is a wonderful opportunity for our new pupils to become familiar with the school and to get to know some of the teachers and make new friends too. Please note that although Thursday 27th June is Common Transfer Day in Wrexham, we will be holding the **Parents' Information Meeting on Monday 24th June** starting at **6.30pm** when we will pass on all the relevant information regarding the move to secondary school.

Attendance Matters

This week's whole school attendance is **96.3%**. Although a slight improvement on last week's figure, it is still disappointing to see we have not reached our stretch target of 96.5% yet again. Well done to Years 7-9 with only three form groups below par across the year groups. Year 10 need to improve next week as important monitoring and assessment work continues.
