Easter Holiday School for GCSE Pupils

Please find enclosed details of our Easter revision sessions. These extra-sessions are available to your child as part of the Welsh Government recovery and catch-up initiative. Please see the bullet points below regarding the available sessions:

- GCSE pupils should be well underway with their revision
- The Easter Holiday School is intended to help reduce any potential examination stress by providing an on-site opportunity to revise
- All sessions are voluntary
- There will be general revision sessions running each day
- Some sessions will be targeted at specific groups only (pupils should check carefully whether a session is relevant to them)
- In order to safeguard pupils and guarantee a place, consent to attend should be given by parents – this will need to be done via the new school edulinkone app! You will receive a user account for this service via email this week.
- School will be open from 8:50am each day, with full day sessions will finishing at 3:00pm (any variations to session timings will be specified in the details section of the programme below).
- Pupils should bring suitable equipment – as per a normal school day.
- Pupils accessing whole day provision should bring a packed lunch / snack / drink with them – catering facilities will not be available onsite.
- Pupils are not required to wear uniform BUT sensible attire is required (as is usual on non-uniform days).
- The normal expectations regarding behaviour and the code of conduct will apply. Pupils may be refused attendance if their behaviour falls short of expectation.

Thank you, for all you are doing to support the school and assist with your child's revision.

Mr Wilkinson
